How to build The Twinny

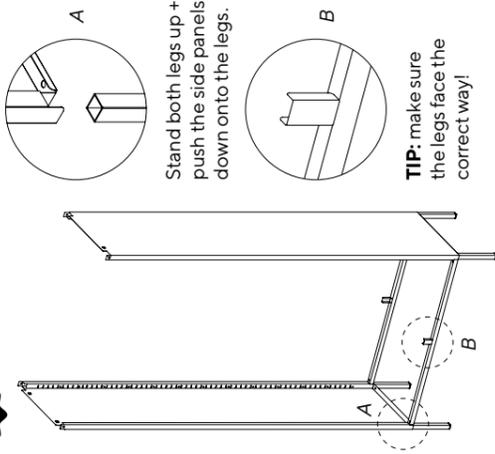

Mustard lockers are beautifully designed to make putting them together simple + argument free! No tears + no allen keys! All you need to get started is a **phillips head screwdriver!**

We've made a video taking you through the build step by step. Watch it here: mustardmade.com/build-it. It's easy, you got this!

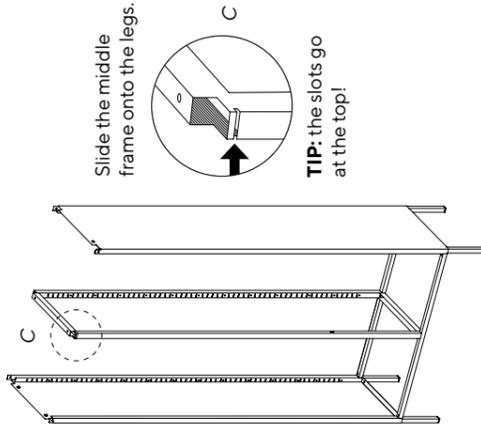

We recommend you attach the locker to the wall to prevent tipping + causing injury. Use the extra screws + plugs to screw through the two holes in the back panel (as required for your wall).
